You are a real neat kid. I will always remember you for. all your [illegible] with Stan. I liked that kid an awful lot though his love for Linda never died. I don't blame him if someone as had gone with someone as long as they did it would be hard to forget a lot of good memories. As it is hard for me too. I think a lot of you and Eddie and damn more if you guys don't get together again.

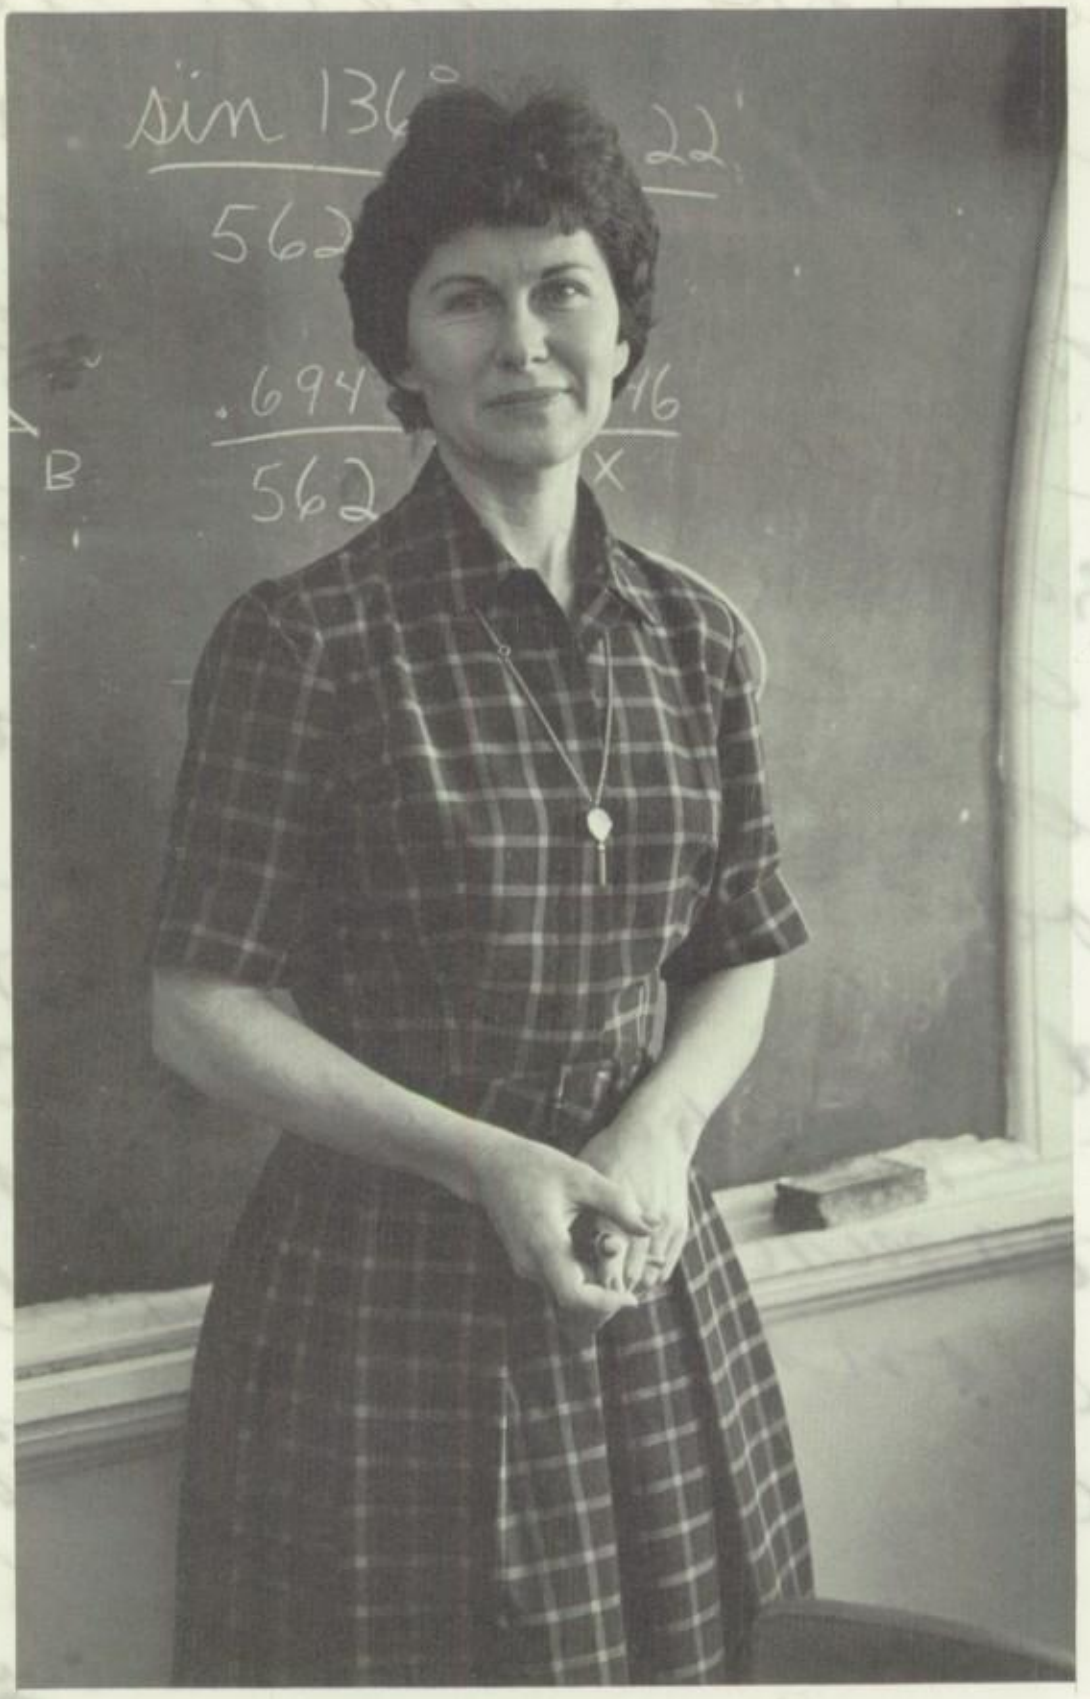
DEDICATION



MRS. LORETTA TAYLOR

"A teacher affects eternity; she can never tell where her influence stops."

It is with great pleasure that we, the staff of the DEL PUERTO, dedicate this year's annual to Mrs. Loretta Taylor.

During the last four years, she has spent much time and effort in helping the class of 1965. Her hard work and devotion have been greatly appreciated.

PRINCIPAL'S MESSAGE

This book of memories is a pictorial presentation of what happened at P.H.S. during the school year 1964-65. I hope that something good has happened to each of you.

Each person is his own most important teacher. You are the only one who knows what you really accept and what you really think.

Since you are your most important teacher, try to do the best you can for yourself. Life is the candid camera that does not wait for you to pose. Try to understand the world about you. As well as you know how, do your own particular task. Get a true picture. Remember life gives the final examination-the one that really counts.

Last year was the fiftieth year of Patterson High. We, the students of 1964-1965, have been chosen to commence the next fifty years. This year will be one to be remembered as far as student activities are concerned. A determined effort was made to further the relationship between the students and the administration. The presence of a well-organized student council has proven to be an excellent mediator.

I would like to say that I am very grateful for the honor of serving as your President. Years from now, as you thumb through this yearbook, I hope that the many memories that come to mind will be happy ones.

The center of school government is the student council. It is comprised of class representatives, club and class presidents, and elected student body officers.

During the active year of 1964-65, the council sponsored the "Welcome Freshman Dance", homecoming parade, and Red Tag Day.

The Choral Club's constitution was ratified and a dress code was also set by the council.

In addition to the activities previously mentioned, the meetings of the student body and assemblies were held under the sponsorship of the council.

The Class of 1965 has had four very successful years in high school. Under the sponsorship of Mr. and Mrs. Harold Taylor, they were able to accomplish and contribute many things.

Freshman year, their float won first prize in the homecoming parade. Class president was Nancy Arambel.

"Teahouse of the August Moon" was the Sophomore Hop theme. John Cox was class president.

During the Junior year, Rani Goutiere was elected football homecoming queen. John Pepple was selected as the A.F.S. student to Bogota, Columbia. The Junior Prom, entitled "Drifting and Dreaming", was the major project. Edmundo Chavez served as president.

Senior year brought many events. Maria Rodriquez was the exchange student from Honduras. Mona Carranza reined as football homecoming queen. "An Ole' Fashioned Christmas" was the theme of the Senior Ball. Mike Freitas and Sharon Law were king and queen. Marilyn Austin was editor of the 1965 DEL PUERTO, and Linda Jackson was assistant editor. Mike Slone was class president.

"Peg"
I don't know you very well but I always see you smiling. Keep it up you have good teeth. Lots of Luck in your future years to come at Old P.U.

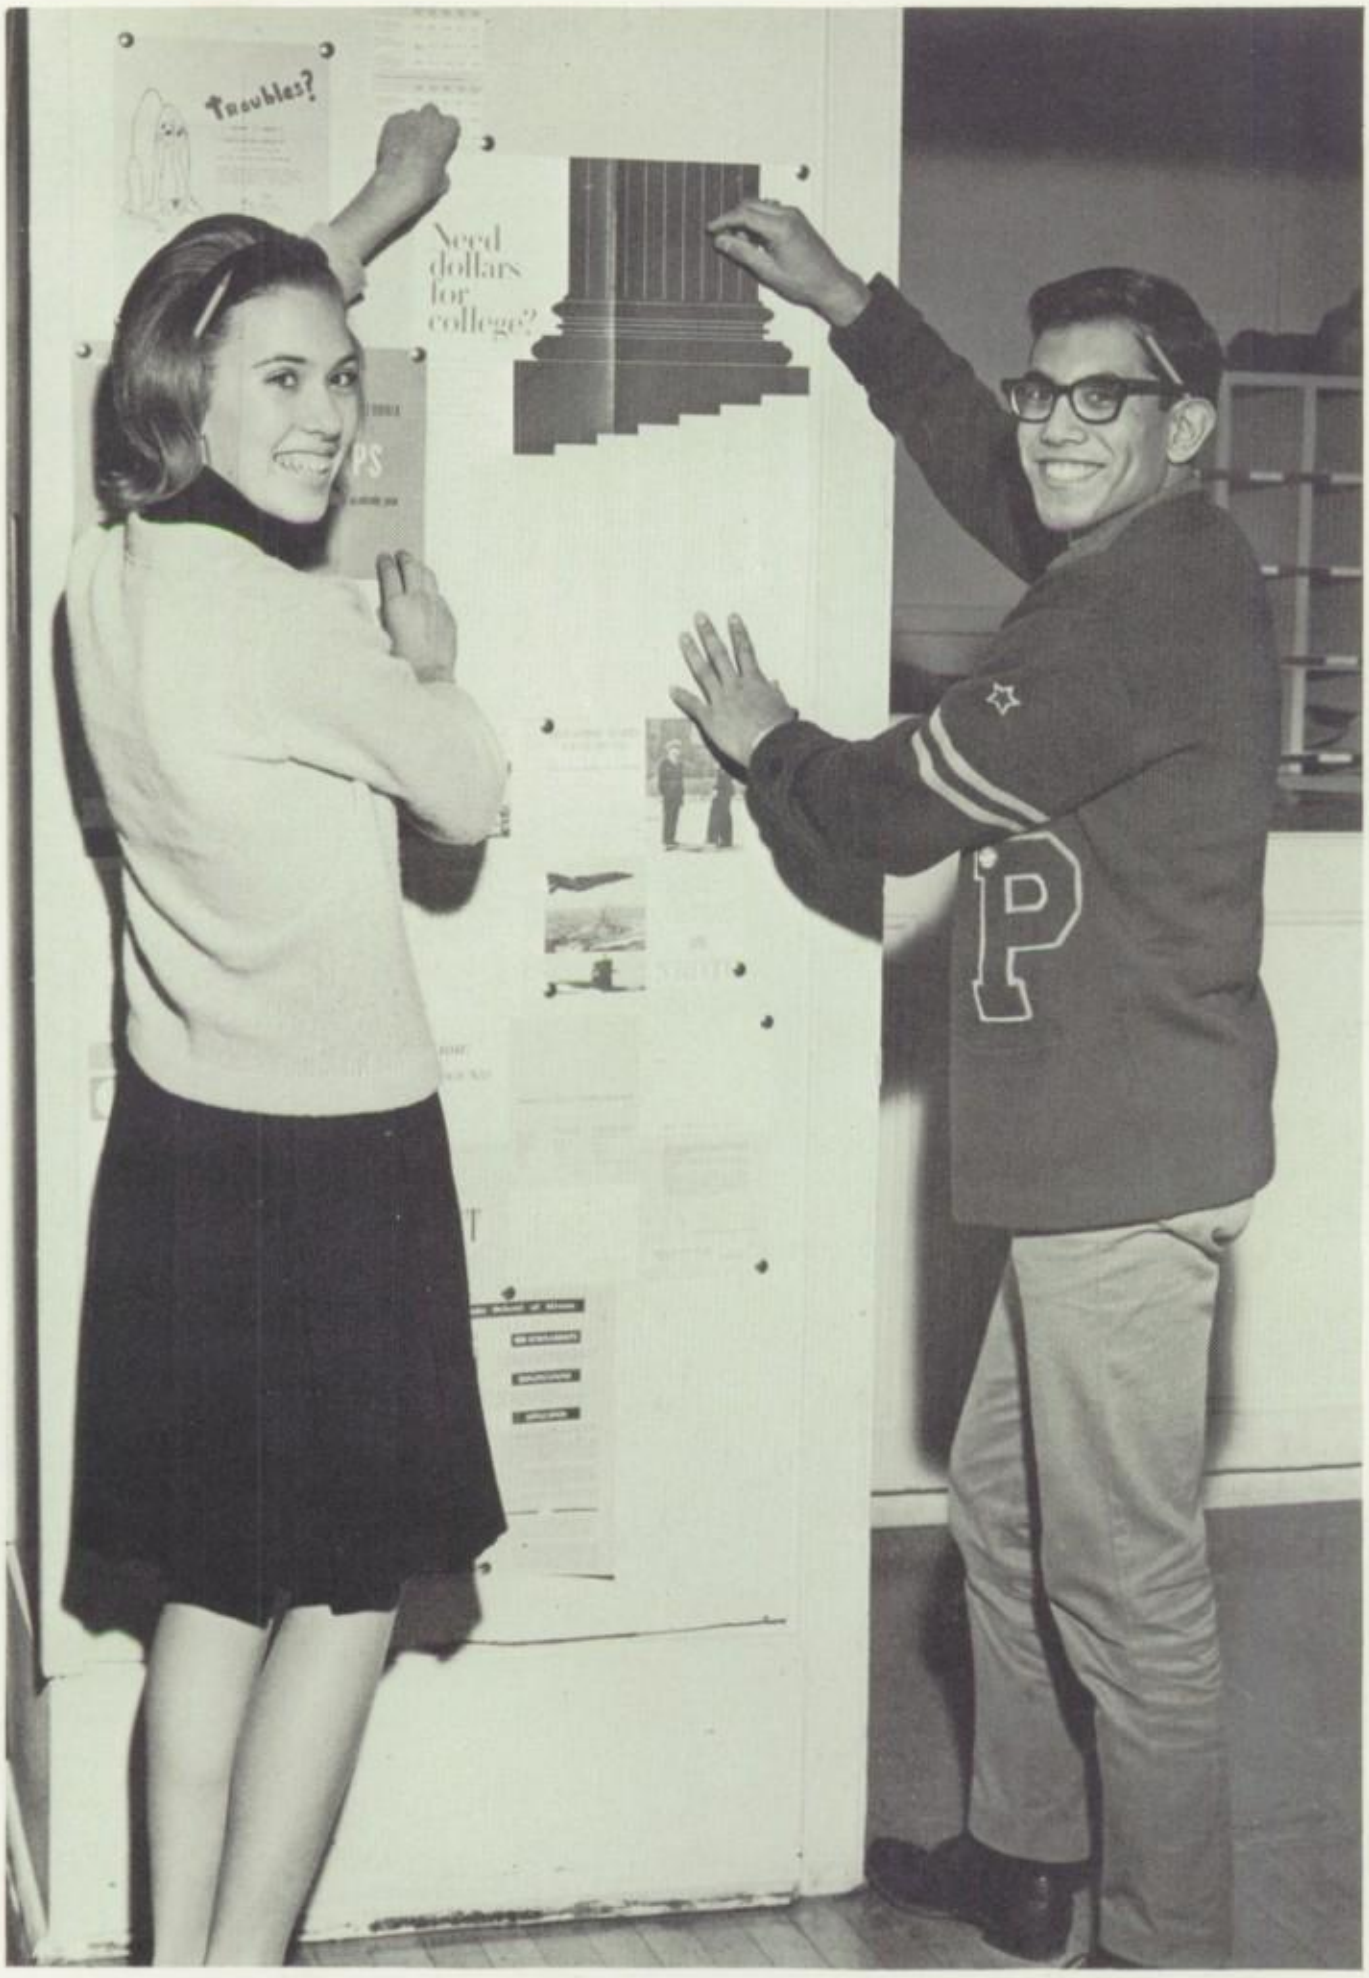
P.S. Be Good Love ya Jim.

MOST LIKELY TO SUCCEED

John Pepple And Marilyn Austin

In order to be successful in life, one must prepare for the future. Ambitions are not always readily obtained, but with preserverance, intelligence, and ingenuity they can be achieved. Marilyn Austin and John Pepple are both expected to succeed in whatever they attempt in life.

MOST DEPENDABLE



Mary Jeans And Edmundo Chavez

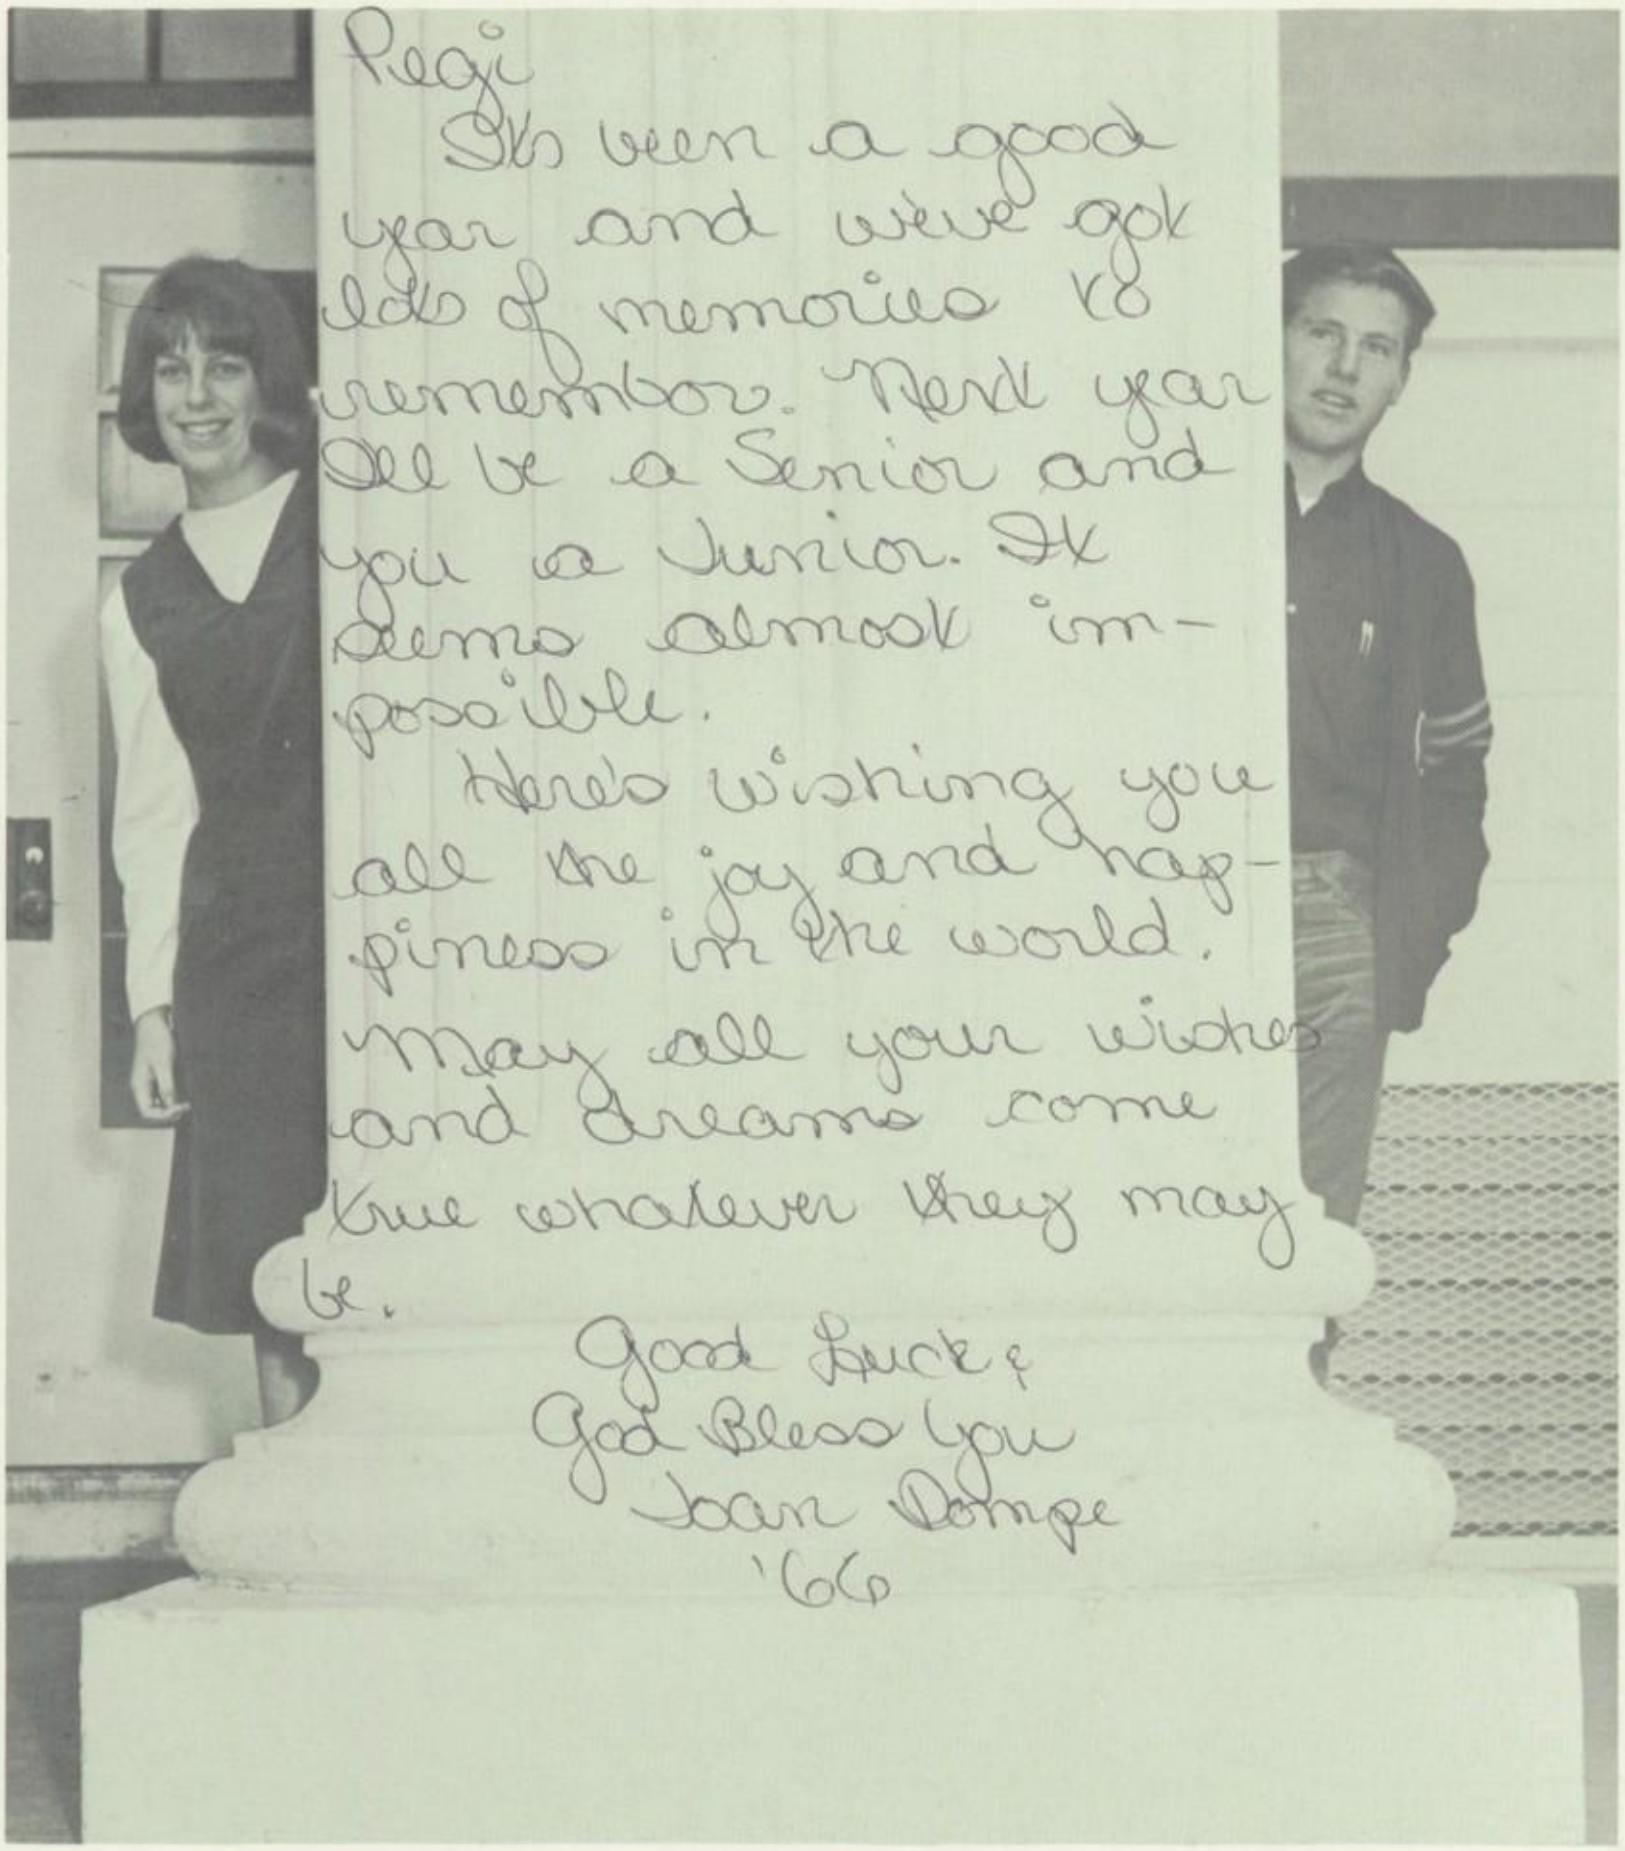
Throughout their four years of high school, Mary Jeans and Edmundo Chavez have contributed more to activities than any other two people in school. Thanks to them, we were able to enjoy many benefits that they were responsible for. They could always be depended upon to do their share and more, uncomplainingly and unselfishly.

BIGGEST CUT-UPS

Linda Lanfranki And Stan Vizzolini

No school would be complete without people to make and keep others laughing. Due to the continious pranks of Linda Lanfranki and Stan Vizzolini, people forgot their troubles and began to smile. This was Linda and Stan's major contribution to Patterson High School .

MOST BASHFUL



Dianne Peterson And Mike Freitas

It is refreshing to know people who have an air of quietness about them. Shyness, in itself, is not an outstanding quality, but when it is combined with a sweet personality, the result is a person who is well liked by everyone. Dianne Peterson and Mike Freitas are both this type of person.

MOST ATHLETIC

Joyce Yamamoto And Jerry Hayton

Patterson High has developed many fine athletes over a period of years. This year was no exception. Joyce Yamomoto and Jerry Hayton excelled in many fields of athletics.

Joyce was the most active member of the Girls Athletic Association. She was president her junior year. She participated in all the sports and had exceptional ability in each of them.

Jerry lettered in three major sports: basketball, football, and track. In each of these sports, he possessed superior capabilities. He was also active in Block P.

MOST SPIRITED

Peggy
To the greatest
little Blonde in
the school. I hope
that your stay as
sweet as you are. Hope
to see you this summer
and in the future.
Love always
Larry.

Renee Francis And Larry Mancebo

These two people seated on the goal posts possessed more enthusiasm and pep than the rest of the school members combined. Renee Francis, a yell leader, worked industriously her four years to create school spirit. Larry Mancebo created enthusiasm simply by his zestful attitude towards school affairs and activities.

IDEAL SENIORS

John Cox And Rani Goutiere

Peggy — Well I guess I can say we made it through another year and you're a mere Junior and I'm a mighty SENIOR! You're really a sweet kid and I'm sorry for all the rough times I've given you. Don't worry about Eddie. Don't worry about anything. Just have fun through all the years ahead. I want to see you around. & I want to hear from you. Always,

PRESIDENT ..... CRAIG SWANSON
VICE PRESIDENT ..... JACK CARLSON

Under the leadership of Craig Swanson as president, the Class of 1966 had a successful year and entered into many school activities. They had concessions, won second place with the football homecoming float, and had a very prosperous Junior Prom.

A few of their outstanding class members were John Perez, Joan Martini, Bill Harrison, and Joe Mederios who were finalists in the A.F.S. program. Bill was sent to Brazil under the program's sponsorship.

The combination of all these events contributed greatly to making an exceptionally good year for the Class of 1966.

The Class of '67 had a very successful year and took part in many school activities.

Fund raising activities during the year included selling concessions during the football and basketball seasons.

Claudia Arambel and Barbara Soares were "B" Attendents for the Football Homecoming. The class also entered a float in the Homecoming parade.

The Sophomore Hop was a big success. Everyone who attended had a wonderful time.

Much of the success the Sophomore's had should be credited to the leadership of the officers and sponsors.

Their float, "The Lion Sleeps Tonight," won first place in the Football Home-coming Parade and Joni DeLash was crowned as the Home-coming Princess. The Freshmen have also taken care of concessions at the games.

We all hope that the Class of '68 will continue to be as active and interested in their school as they have been this year.

Several contests were held between this club and G.A.A. They also presented an unforgettable assembly to increase school spirit. To raise money for new victory and school flags, the club sponsored a basketball game with the Harlem Stars against the faculty, city all-stars, and Block "P" members. The Block "P" took pride in being active this year.

The Girls' Athletic Association had a very successful year. They proved that sportsmanship is something far superior in importance than the glory of winning a game. The girls were, however, victorious in winning many of their games. They participated in the speed-a-way playday and won practically all their games. They also proudly accepted the sportsmanship trophy. This was achieved by cooperation and friendliness of the team. The sportsmanship trophy was again won in Ceres.

This year, the TIGER TALES was better than ever, thanks to the cooperation of many participants. The paper adopted banner headings. The PATTERSON IRRIGATOR was partly responsible for this. A second improvement was the photo-ingraving process. These, among other added improvements, brought the Patterson High School students a good interuption of the school's events.

The Tigers showed lots of hustle and fight even though they lost more games than they won. Injuries was their handicap as they missed at least one starting player each game.

The offensive unit offered such standouts as Dave Klein, Edmundo Chavez, Mike Freitas, with Bill Bronzan and John Cox both making All-League. The defensive unit that limited the opponents to nine points a game was led by Dick Frank, Ron Richter, Freitas, Bronzan, Bill Callahan, and Stan Vizzolini. Lowell Martin, playing his first year; and Jerry Connelly, a sophomore, made All-League honorable mention.

Added strength was given by Troy Hale, Don Grischott, Mike Nelson, Ed Decker, and Steve Sutherland.

Next year's team should be successful because the returning linemen will provide a solid, experienced base to build on.

SCOREKEEPERS
Mary Jeans, JoAnne McGee, Joyce Yamamoto, Carolyn Wheeland

The Tiger basketball team, although suffering a losing season, never could be counted out of a game while showing lots of team spirit and hustle.

Dave Klein and Jack Carlson were the top men for the Tigers with Rick Whitman and Jerry Hayton getting most of the points. Mike Slone, Lowell Martin, and Bill Bronzan were the leaders in the rebounding department.

Whitman, a dangerous hitter both inside and outside, set a new school record in a losing cause against Gustine with 40 points.

Next year's team should be even better with the returning Whitman, Carlson, Bronzan and Craig Swanson, plus some excellent Sophomores led by Randy Whitman, Dan Perez and Mark Testerman.

Peggy
Well it's been another hectic year. Good times, troubles arguments etc. Next year you'll be a big after classman. Wish you lots of luck in your junior year. Keep up your good grades and you'll go a long way. (Just kidding). It's been one hell of a year. We've done a lot of the good times together. "Senior" year, to almost all the way from keeping me alive (yeah). Plus all of the rest things I had. Billing me by showing on "New Years" eve, the letter "p" the year as one hell of the year under the "p" (pearl). See you next year "Senior" year. I've come a long ways in life. From Plus to the years ahead. Before I consider you a junior (physically) you have to be able to "beat me" in our measuring game.

P.S.
Before I consider you a junior (physically) you have to be able to "beat me" in our measuring game.
